

Qualifi Pricing and Fees Structure 2020/2021

Introduction

It is important that centres and proposed centres are made aware of Qualifi's pricing and fees are and what the centre gets in return. This makes the whole fees process both transparent and easy to understand.

The fees for 2020/2021 are based on a transparent pricing model which calculates the cost of a qualification in terms of credit value and level. There are three overarching principles which underpin Qualifi's approach to fees:

- Value for Money
- Flexibility
- No hidden charges

To ensure our centres remain competitive in their given sector(s) we provide a range of quality services which are very reasonably priced.

There are no hidden costs to the qualification and unit pricing structure, which is based on the credit value and level. Qualifi offers a combined registration and certification fee for all its qualifications which gives a saving to the centre and reduces their administration costs.

As a condition of continued centre approval Qualifi require a minimum of 25 candidate registration for regulated and/or 50 certification requests for endorsed qualifications per annum from each centre. Where a centre fails to meet this requirement the centre will be required to pay a re-accreditation fee, inline line with Qualifi's standard centre accreditation fees for another calendar year.

Please visit the Qualifi [website](#) for the combined fees of our specific qualifications.

All certification of regulated qualification includes a certificate printed on secure paper outlining the level and qualification title together with the unit level and titles achieved as well as a unit transcript. Please note that the centre is required to cover any international postage and courier fees, if the requested certification dispatch is of less than 20 candidates.

All fees are invoiced for in GB Pounds sterling and unless a certificate of exemptions or a condition of eligibility is provided Value Added Tax (VAT) will be added.

*All fees quoted are standard and any percentage reduction must be agreed in writing with Qualifi.
